

January 21, 1976

I think perhaps this agreement, which has been agreed upon by the producers and the contractors, is a viable one. You want to also remember that it does provide that he can get his money back, if he wants his money back. I don't see what else you could ask for. As long as he can get his money back, if he says "Nuts, I didn't get any help out of the increase in the price. I want my money back". He can ask for it back. There is protection in there.

Senator Syas sent me a note about the turkeys. We do provide check-off on the turkeys, 3¢ a head, Senator Syas. I'm glad you brought it up. We didn't include geese and ducks. I know geese and ducks are big in your area, but they're not so big in the rest of the State of Nebraska. There is a provision to provide for promotion of turkeys. I think it's justifiable that it be included in this provision.

I would suggest that it's a good bill. It's a move, again, in the right direction of self help. The program is self supporting. I think that it will be a benefit to the turkey and egg producers of the State of Nebraska. Of course, it is a very substantial industry in the state. It deserves our support. I would recommend the bill be advanced as amended by the Committee.

SENATOR SIMPSON: The motion is to advance 514. All in favor vote aye, those opposed vote nay. Voting aye.

CLERK: Senator Simpson voting aye.

SENATOR SIMPSON: Have you all voted? I'll wait. Clerk will record.

CLERK: 31 ayes, 1 nay, 9 not voting, Mr. President.

SENATOR SIMPSON: The bill is advanced. Mr. Clerk, is there anything on the desk?

CLERK: Mr. President, we have a Reference Committee Report referring LB 934 through 943, LB 944 through 955 and 956 through 966. Signed by the members thereof.

Mr. President, notice of committee hearing. Miscellaneous Subjects has set bills for hearing. Signed, Senator Anderson.

Mr. President, your committee on Judiciary, to whom was referred LB 640, instructs me to report the same to the Legislature with the recommendation it be advanced to General File; LB 654 indefinitely postponed. Signed, Senator Luedtke, Chairman.

Mr. President, Senator Luedtke asks unanimous consent to change the hearing on LB 585 from January 22nd to January 26th. That's the hearing, right?

SENATOR SIMPSON: Is there any objection? If not, whatever he wants, so ordered.
